

WellSprings 2024 Annual Pledge Campaign Building Our Beloved Community

OUR GOALS

- \$250,000 in pledges to fund our ministry for the year ahead.
- Increase member pledge participation from 70% to 90%.

Charged Full Living

"As a teaching congregation, WellSprings not only strengthens itself, but grows the future of our faith - what a joy!" - Nick Sanchez

AllAges Connection includes outdoor walks, tours, games, crafts, service opportunities and more! - YouthBridge

WellSprings welcomes LGBTQ+ folks and was a sponsor for Chester County PrideFest where Rev. Lee offered glitter blessings.

Helping others by providing food and comfort items to assist community members in need charges our souls! - HeartWorks

Submit your pledge by Sunday, **April 21.**

Our Vision is that WellSprings is called to make the world whole.

Your pledge makes our vision become reality.

Our Budget by Mission

Worship & Inspiration – Sunday inspiration is supported by our Sunday staff and teams, worship speakers, and Band, with Tech Team powering our technical equipment.

Youth Spirituality – Our YouthSpirit Director, Assistant, Nursery, trained OWL facilitators, and YouthBridge programs for teens help the next generation grow through spiritual exploration.

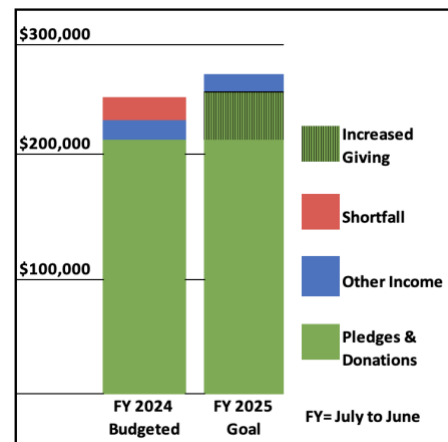

Spiritual Growth & Care – Charged full living is sustained by our devotion to spiritual growth beyond Sunday mornings, through pastoral care, small group gatherings, and our teams.

Community Life - Our community is sustained by our teams, ministries, and the programs and subscription services we use to help us connect with each other.

Justice & Outreach – We are devoted to impacting lives, to promoting justice, and to building connections and showing up for our values in the wider community.

Budget Analysis

For the past several years, we’ve drawn on our very modest reserves to make up shortfalls. In order to avoid drawing further on reserves, member pledges and associated **giving needs to increase by approximately \$40,000 – or 16% overall – to meet our goal of \$250,000.**

Increasing Pledge Participation

Currently, about **25% of family household units provide 80% of our total income** from giving.

Giving is an important spiritual practice, and we’re asking every household to make a pledge this year - no matter how much, in any amount. It all adds up when we remember that **we’re in this together!**

Help Build Our Beloved Community to keep WellSprings charged-full!

Submit your pledge online at <https://www.surveymonkey.com/r/WS2024pledge> by Sunday, April 21.
