

WellSprings 2025-2026 Annual Pledge Campaign

Together We Can!

Our FY26 Goal: \$250,000 in pledges to cover WellSprings' expenses through giving.

(July 2025 – June 2026)

Charged Full Living

WellSprings installed Rev. Lee as our settled minister in a joyful and celebratory service! The Future Fund was created as an investment in WellSprings' future.

WellSprings welcomes LGBTQ+ folks and was a sponsor for Chester County PrideFest. Formal steps are underway to be recognized as a UUA Welcoming Congregation.

AllAges Connection activities include Sunday worship participation, service opportunities, hikes, potlucks, crafts, movies and more!

HeartWorks outreach projects helped others: community garden, Susquentia Adopt a Family, Angel Tree, providing food to needy, distributing warm clothing to homeless.

JusticeWorks Team worked for justice with POWER Interfaith, Love Thy Neighbor Chester County, Chester County Interfaith Action Community, UU the Vote, and Vote Forward.

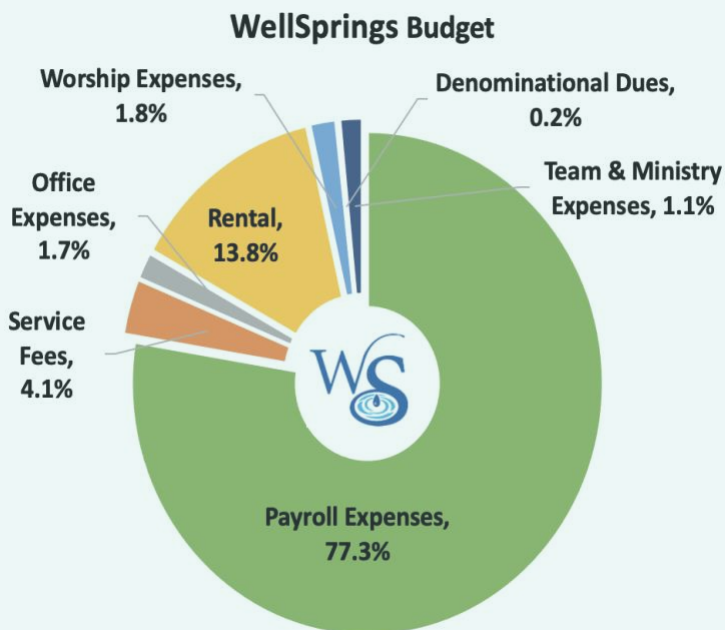

Submit your pledge by Sunday, April 20.

Together We Can keep WellSprings strong!

What Does Your Giving Support?

Worship & Music – Sunday inspiration is provided by our staff, teams, worship speakers, and Band, with Tech Team powering our technical equipment (in person and online).

Youth Spirituality – Our YouthSpirit Director, Assistant, Nursery, trained OWL facilitators, and YouthBridge programs for teens help the next generation grow through spiritual exploration.

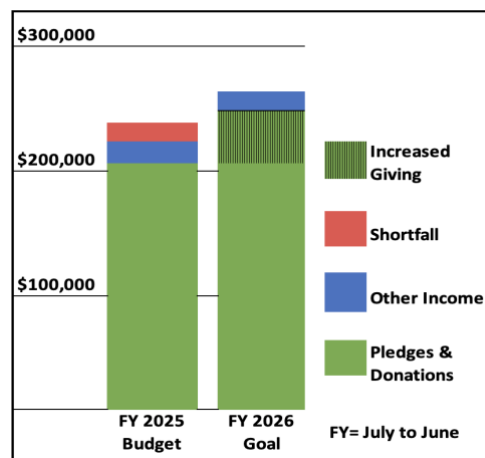

Spiritual Growth & Care – Charged full living is sustained by our devotion to spiritual growth beyond Sunday mornings, through pastoral care, small group gatherings, and our teams.

Community Life - Our community is sustained by our teams, ministries, and the programs and subscription services we use to help us connect with each other.

Justice & Outreach – We are devoted to impacting lives, to promoting justice, and to building connections and showing up for our values in the wider community.

Budget Analysis

For the past several years, we’ve drawn on our very modest reserves to make up shortfalls. We now have minimal reserves. **Our FY26 goal of \$250,000 would fund our annual expenses and provide overdue cost of living increases for staff without further draining our limited cash reserves.** To meet our FY26 goal, member pledges and associated giving needs to increase by approximately \$49,000 – or 20% overall.

Pledge Participation & Generosity

Currently, about **24% of family household units provide 80% of our total income** from giving.

Generosity is a spiritual practice at WellSprings, a practice that opens our hearts. **We are asking every household to pledge this year.** Any pledge amount that is meaningful for you is appreciated. It all adds up when we remember that **we’re in this together!**

Submit your pledge online at <https://www.surveymonkey.com/r/WS2025pledge> or use QR code by Sunday, April 20.
