Pledge Participation & Generosity

Generosity is a spiritual practice at WellSprings, a practice that opens our hearts.

We are asking every household to pledge this year. Currently, **25 family households provide about 80% of our total income** from giving. Any pledge amount that is meaningful for you is appreciated. It all adds up when we remember that **we're all in this together!**

We invite you to pledge based on what generosity might feel like in your household. The color categories below represent different household financial realities.

Red: A red pledge means you cannot contribute financially this year. People in every life circumstance are welcome at WellSprings. Please still fill out a pledge form to let us know that you won't be making a pledge. You are invited to speak with our minister about support with financial assistance, connections to community resources, or pastoral care. Note that Members must participate in the life of the congregation and make a financial contribution of record to maintain a Voting Member status. But we welcome Non-Voting Members, Friends, and Visitors to share in our congregational life.

Orange: An orange pledge is between \$1-50 per month, \$12-600 per year. An orange pledge comes from a household with limited funds. Orange pledges may come from a single parent household, or someone who is underemployed, living on Social Security, supporting a large family or caring for others in their home. Sometimes, people in this category cannot make a financial commitment during our stewardship season but give when they can. We are grateful for all forms of generosity.

Yellow: A yellow pledge is between \$51-125 per month \$601-1,500 per year. A yellow pledge comes from a household that is comfortable but lives modestly. Yellow pledges may come from a family living on a fixed income, or that may have an income that is up one year and down the next.

Green: A green pledge is between \$126-375 per month, \$1,501-4,500 per year. A green pledge comes from a household that has resources. This household can easily pay bills on time and has cushion for family discretionary spending.

Blue: A blue pledge is between \$376-750 per month, \$4,501-9,000 per year. A blue pledge comes from a household that is financially comfortable. Perhaps they have a well-paying job, a robust retirement fund, or other assets. A blue pledge comes from a household with a good amount of discretionary income, and is committed to sustaining the programs and ministries of our congregation.

Purple: A purple pledge is more than \$750 per month, more than \$9,000 per year. A person or family who makes a purple pledge has secure finances. A purple pledge comes from a household that is deeply committed to the congregation, and has ample resources that help them demonstrate that commitment financially.
